The Diversity Committee Objective:

Promote Diversity and Harmony throughout the Bensalem Community.

UNITY WEEK – was started 15 years ago (As of January 2019)

In the last several years approximately 8 -10 houses of worship have opened their doors each year, beginning on MLK day, to Bensalem's diverse population.

Each house of worship presents a half hour service, which includes details about their faith and all attendees are invited to share in a fellowship meal/refreshments.

Each year Unity Week's attendance increases.

We learn about our neighbors and realize some similarities in our many diverse backgrounds.

In October 2014 we collaborated with Shafer Middle School's Diversity club to sponsor a successful "Cultural" event.. On Tuesday Oct. 27, 2015 we presented our 2nd Cultural Celebration Event @ Shafer MS.

In 2017 we created a B3T Community Action Committee. This committee organized a non-denominational prayer service in November 2017 and another in May 2018.
